I don't want to keep running around at the same place anymore
For Himari-chan,
Everything about Yuyu,
I'm going to tell it to Himari-chan

Revolution: 12

Thanks for having us~!
Yes Ma'am
Come and play here again, okay ♡

Just with one day today, I've become smarter a lot!

Thanks~

We're going here
to tell Himari-chan
See you tomorrow~
at the going home way, but...
I planned
.....

I'm going here...
Bye-bye ♡
I missed the chance to tell her...

Eh...
Be careful on the way, okay~~
She's returning here...
Then, Yuyu is also going home
I can tell her at the school, right

At going home...
Moving class...
At the next break time...
Today I have club...
Hinari
I have to do class duty, can't eat the lunch together
At lunch break...

I can't speak to Himari-chan at all...!!
Going there became harder...
1 - 1
Why!?
A-
ano...
Aah...
Is Konno-son here?
They remember me!
She was called out by an another girl just now
So it seems

Don't tell me...
I'm being avoided....
...Okay
I wonder if it's possible to miss each other this much
I mustn't think negative!!
Nee, do you know where is Yuyu-chan?
She immediately went out after the lesson ended
Somehow, she recently wasn't much in the class, right
"an another girl..."

Don't tell me.....
"Because Yuyu've already explained it well"

Ow...
Shioka-kun!
I'm sorry!
Don't suddenly run out like that
I'm in a hurry looking for someone
Aah
Kojima?
Ah, no...
If Kojima I saw her though

She was with a girl from another class of that Sunday
Why is Himari-chan
はぁ
and Yuyu together?

What are you doing!?
Nana-
chan...?

No...
Yuyu's leaving, okay
Ah, yeah...
...Yuyu got yelled
In a hurry, I accidentally shouted
.....
Let's return
キーン
sfx. school bell
Ah, just now...

I have something to tell
...Today,
let's go home together!
No matter how
Himari-chan's look at me now
Okay
.....

Bye-bye
I want to properly face her
Omatase, Himari-cha..
You're so slooow, Nana-chan!

Why
We alsa want ta get alang well with Himari-chan, you see
But she said she had promised ta ga with Nana-chan
Having fun alone is unfair, you know?
It's fine if we're also going home together with you guys, right

If
those feelings,
Himari-chan too
"Together" they said...
This time,
they want Himari-chan also to be in their group?

Nana-chan...!?
Today, we've promised to talk just the two of us,
sorry...!

But tomorrow and the days after tomorow too
you can't be with her.....!

Haa!?
Yuyu-chan...
Nana-chan,
she likes that girl better...
I'm sorry,
pulling you suddenly like that

I' ended up selfishly monopolized her...
It's okay!
Without asking what Himari-chan wants...
Look, look!
Ah!
They made that place into an ice cream parlor!
Don't you want to eat some!?
32% OFF

Even though
Himari-chan knows something certainly happened
Then, let's order for each one and share!
Me too
I'm wavering between chocolote or milk teo~~~
...Himari-chan,
she's not going to ask
Until I tell her,

It's delicous!
Can we take a lang way ta hame?
...Far me,
Himari-chan is the first ane
that her feelings and her likes
are the same with me withaut trying ta match

I wanted to be liked by you
Because of that I was so happy
For isn't telling you what is important
and involving you in this, I'm so sorry.....!

If there's anything that Himari-chan wants to ask, whatever it is, say it...!
I'll tell you everything that has happened until now
.....
...Not everything is fine too

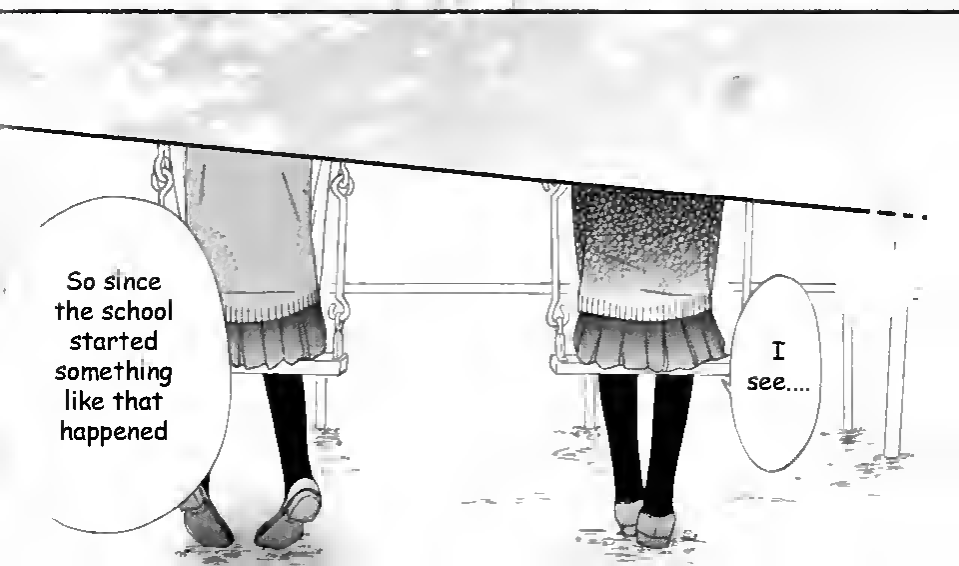
But,
it's too sad
hearing about friend's important things from another person,
If it's something that Nana-chan hard to tell,
then it's okay if you don't tell me
To be honest, I've been really wanted to know
I also almost made Yuyu-chon to tell me

All of this time,
No matter how many hours it'll take, I'll hear
But if they are something that Nana-chan wants to tell me, whatever it is, I'll hear

I only thought of what I should do so I wouldn't be hated

But now,

I'll think of what I should do so I can treasure her



Nana-chan,
you have done your best
ドキン
ドキン

Always tell me!
I'll help Nana-chan with anything that I can do!
I'm so glad I told Himari-chan
she thinks of me
So that's what
Amazing
Arigatou

Just now,
I felt that I've become a lot stronger
...But,
I wonder why Yuyu-chon did something like thot
Today too, when we talked just the two of us,
she only talked the things that Nana-chan likes or past stories
Nana-chan, da you hate Yuyu-chan..?
...I
...don't wont to hote her
thot's whot I think

Eh?
So her existance is that big
whisper
I see..
Ah, the ice cream is melting!!
Mine's too
We were too engrossed in talking
Let's eat it again

Yuyu-chan,

Ohayo~

can I talk to you a little?
Nana-chan said that she hated Yuyu, right?
Yester-day

She didn't
Not even a word of hate
Nana-chan
just mis-understands,
all this time, Yuyu just wants to make up with her
...Yeah

That's why,
I'm going to help
I also want you two to make up
